

Invitation Letter

International SIGN EXPO 2011

Mandalay Bay Convention Center, Las Vegas Nevada

Eco Product

We, NC LED, are a **leading LED modules & lights manufacturer** in Korea having **quality products** with its **competitive price** to get the market with you.

We are very glad to introduce us and our products during the exhibition and really look forward to meet you and discuss our further business at SIGN EXPO 2011 in USA. If you could visit our booth, would be a great opportunity for us.
