

Invitation Letter

for SIGN & GRAPHIC IMAGING 2011
DUBAI

As a leading manufacturer of LED Module and lighting products in Korea, NC LED promise to provide you the best quality products through the accumulated technology and good reputation to preoccupy and marketing in your area.

Taking this opportunity of exhibition, we will be very honored to meet you in person and introduce our products if you would come and visit our booth. For this time, the booth will be ready by our Representative distributor in Italy together and hopefully we can have a chance to discuss our further business in your territory as well at SIGN & GRAPHIC IMAGING 2011 in Dubai.
